Sara Clark & TVT Invictus

[Arboria Noble Victor x Timberoak Chances]
"Vic" is a 13-year-old, chestnut Morgan gelding owned and shown by Sara Clark of White Lake, WI. He is an eye-catching show Morgan, who performs in the English Pleasure division and displays that typical Morgan show-ring "attitude" that the crowd loves.

CMA Taxx Return with Sarah Ackermann

Lance" is a 7 year old Morgan gelding (Bethesda Virgil x Stonecroft Stephanie). Lance towers at 16' 2". Lance has been successful in open shows and class "A" rated Morgan shows. He is shown as a Hunter Pleasure horse and a Sport horse in-hand and under saddle. This past summer Lance made his first appearance at the Jubilee Regional Championship Morgan show and did well. It was his first time showing "A" as a jumper and he won reserve champion Jumper over fences! Not only is Lance a great show horse but we love to go trail riding.

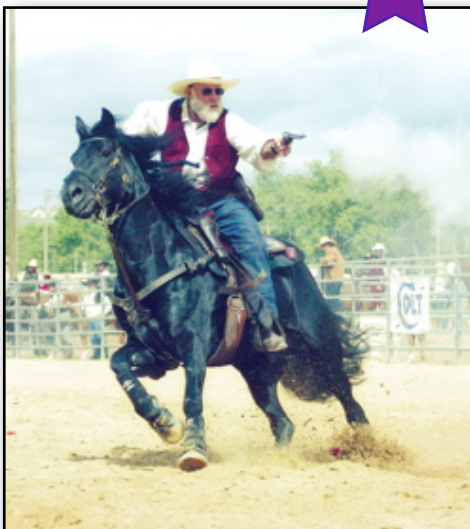

Bethesda Horus ridden by Gary Jackson

Horus is by Wyoming Flyhawk, western breeding for cavalry and ranch work, and out of Coal Creek Ebony Bess). He has been Midwest Limiting Distance Driving champion, National Champion in the Morgan Horse Association Open Show Competition and fourth in the world Cavalry Mounted Shooting Competition. Horus demonstrates the reasons why Morgans were sought after for cavalry mounts in the Civil War and in western cavalry actions. He is also charming and a crowd pleaser.

Gable's Grindlewald & Sam Bartnik

"Beauty" is a bay, 14 year old Morgan mare owned by Sam and Andie Bartnik and Mary Ellen Gray. She is shown huntseat, dressage, trail and performs with a 4H drill team. This past summer Sam and Beauty succeeded in their first "A" rated morgan show and also earned their way to the State 4-H Expo in September. They did well in both. Beauty has a great personality and Sam would love to be teamed with her for many more years.

"PR" is a NRHA money earner. Not only is he a "working" horse, he is siring gorgeous foals with that wonderful laid-back personality that are winning in the show pen! One, W's Mesquite Ridge, is also a World Champion Reiner.

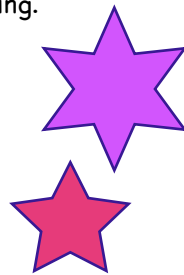

Feather Ridge Talon driven by Katz Jackson

Talon is an eleven year old registered Morgan mare. She is a daughter of Bethesda Horus (Bethesda Horus x Bethesda Ballerina), and she demonstrates the versatility of the Morgan breed. She both rides and drives, and at left she is showing her skills in country driving, pulling a Meadowbrook cart. She also drives double with her full sister, Feather Ridge Raven. In fall of 2010 she willingly helped pack out an elk in the Colorado Rocky Mountains. As active members of the Midwest Distance Driving Association (MDDA), we compete with Talon against several other breeds of horses in this exciting sport of competitive distance driving.
