

2010 MIDWEST HORSE FAIR
MORGAN DEMONSTRATION NOMINATION FORM
Nomination Deadline is *January 31, 2010*

The WMHC will be presenting the Morgan Horse to the public at the 2010 Midwest Horse Fair. Next year's Fair will again be held at the Alliant Energy Center in Madison on April 16, 17 & 18. This is your chance to nominate your Morgan to participate in the 2010 breed demonstration and be an ambassador for Morgan Horses everywhere. All Morgans and riders participating in the demo must have experience performing/ appearing in public (showing, parades, etc.) and need to be fit and conditioned at the time of the Horse Fair. Riders, drivers and in-hand handlers must look as professional as possible. It is imperative that your horse, should it be selected, be at the Morgan barn no later than 8 pm on Thursday, April 15th and remain in the Morgan barn area until the end of the Fair (5 pm?) on Sunday the 18th. Practice time will be announced in March and it would be best for the whole group if all horses can participate in the practice session. Please fill out the form below, and send it along with a current video and pictures of the performance skills you would like to be considered for no later than January 31st. All riders, drivers and in-hand handlers must be current members of the WMHC. Due to demo time and barn space constraints, a limited number of horses will be selected. All nominators will be notified of their standings when selection is final. Please blanket your horse and proceed working in preparation for being one of the demo exhibitors. Good Luck!
